

# Bruno Guillon

*Phd student  
in Computer Science*

25 quai des Carrières  
94220 Charenton-le-pont, FRANCE

☎ (+33)6 70 46 73 32

✉ guillon.bruno+cs@gmail.com

## Civilities

name *Guillon*  
first name *Bruno, Dominique, Jean, Olivier*  
birthdate February 11, 1989  
birthplace Saint-Martin-d'Hères (38), FRANCE  
nationality French

## Publications

### Conference papers

- 2015 **Bruno Guillon**, *Sweeping weakens 2-way transducers even with a unary output alphabet*, NCMA 2015, 91-108.
- 2014 **Christian Choffrut, Bruno Guillon**, *An algebraic characterization of unary two-way transducers*, ICTCS, 279-283.
- 2014 **Christian Choffrut, Bruno Guillon**, *An algebraic characterization of unary two-way transducers*, MFCS – LNCS 8634, p. 196 ff.
- 2012 **Viliam Geffert, Bruno Guillon, Giovanni Pighizzini**, *Two-Way Automata Making Choices Only at the Endmarkers*, LATA 2012, pp. 264-276.

### Journal papers

- 2014 **Viliam Geffert, Bruno Guillon, Giovanni Pighizzini**, *Two-Way Automata Making Choices Only at the Endmarkers (long version)*, Inf. Comput. 239, 71-86.

### Submitted papers

- 2016 **Bruno Guillon**, *Sweeping weakens 2-way transducers even with a unary output alphabet (long version)*, RAIRO-ITA.

## Education (\* in progress)

- 2012–2016\* **Phd in Theoretical Computer Science**, LIAFA – Université Paris 7, Università degli Studi di Milano.
- 2010–2012 **Master PENSUNS (Theoretical Computer Science)**, ENS Lyon, Université Nice-Sophia-Antipolis.
- 2009–2010 **Bachelor of Theoretical Computer Science**, ENS Lyon, Université Claude Bernard Lyon 1.
- 2007–2009 **Preparatory Classes in science**, Lycée Champollion, Grenoble, Preparation for entrance competitions to French "Grandes Écoles", national institute of higher education.
- 2007 **Scientific Baccalauréat**, Lycée Champollion, Grenoble, french High School diploma.

### Research Schools

- 2015 **EPIT**, Fréjus, french one week thematic school for researcher, Mechanizing proof system (Coq assistant).
- 2011-2016 **6 ÉJCIMs**, Amiens, Rennes, Perpignan, Caen, Orléans, Strasbourg, french one week school for young researcher, including courses and voluntary presentations by participants.

---

## Experience in Computer Science Research (\* in progress)

### Research

- 2012-2016\* **LIAFA, UniMi**, *Phd in Computer Science in international cotutelle (France and Italy) supervised by C. Choffrut and G.Pighizzini, Extensions of two-way finite automata, 3 years.*
- 2012 **LIAFA**, *internship directed by C. Choffrut, Communicating Finite Automata System over unary alphabet, (currently, 6 months).*
- 2011 **Università degli Studi di Milano**, *internship directed by G. Pighizzini, Descriptive Complexity and Nondeterminism for Two-ways Finite Automata, (3 months).*
- 2010 **Université d'Orsay**, *internship directed by F. Fiorenzi, Cellular Automata and Tilings, (6 weeks).*

### Teaching

- 2015-2016\* **Université Paris-Diderot, Paris 7**, *teaching in practical lectures of License of Computer Science, XML, Programming projects, Algorithmic, 72 hours.*
- 2012-2015 **Université Paris-Diderot, Paris 7**, *teaching in practical lectures of License of Computer Science, Introduction of programming, Programming Projects, Computer Concepts, Internet and tools, 192 hours.*

---

## Knowledge

### Programming skills and utils

- coq **2009-2015**, *Some courses and thematic one week school (EPIT 2015) with exercises.*
- oCaml **2007-2011**, *Some courses and advanced projects (Graphical tiling editor, Compiler).*
- sage **2010-2015**, *Initiation, courses and applications.*
- html, Css, Php... **2015**, *Teaching and realization of a webpage for the MFCS 2015 conference.*
- java **2012-2015**, *Teaching in License.*
- python, C, bash **2009-2013**, *some smaller projects and scripts.*
- LaTeX **2009-2015**, *many reports, presentations, this cv.*

---

## Languages

- French **native**
- English **average level** *scholar courses (2002-2010), practical of scientific english (2007-2012)*
- Italian **average level** *since 2011*
- German **average level** *old remains from scholar sustained courses (2000-2009)*

---

## Extra Education

### Other experience and diploma

- 2014 **PSC1**, *First Aid French diploma.*
- 2011 **Driving license**, *Nice.*
- 2011-2015 **Social action in favor of poor people**, *Nice, Paris, Milan.*
- 2007-2010 **BAFA**, *French license of animator, with specification in integration of disability.*
- 2007-2014 **Seven summer camps, in a team of animators**, *Grenoble, Lyon.*
- 2004 **AFPS**, *First Aid french diploma.*

### Hobbies

- Sports**, *soccer, hiking, cycling....*
- Music**, *majoring guitar and accordeon.*
