

# Linear Logic and Logical Paradigms of Computation

Delia KESNER  
kesner@irif.fr  
[www.irif.fr/~kesner](http://www.irif.fr/~kesner)

IRIF (CNRS and Université de Paris)

## Planning of the Course

- Course 1: Proof-Nets (PN)
- Course 2: Explicit Substitution (ES) Calculi
- Course 3: Translating ES to PN
- Course 4: Resource Calculi inspired from MELL PN
- Course 5: Non-Idempotent Intersection Types
- Exam: 15 December 2021? or January 2022?
