

## INFORMATION FOR PARTICIPANTS

- **wifi**

eduroam is available in the Buffon building.

If you do not have eduroam access, you can get a personal login on the up7d network from one of the organizers.

- **working space**

Unfortunately the only working space we have in the Buffon building itself is the area in front of the amphitheater.

You are most welcome to come and work in the open areas of our department (Sophie Germain building, floors 4 and 3). There are tables and chairs and some armchairs. A pile of coffee capsules, marked “FILOFOCS”, is available by the coffee machine on the 4th floor.

To enter the building you have to deposit an ID and get a badge. Tell the security agent that you are visiting IRIF on the fourth floor and are part of the FILOFOCS meeting. The names of the registered participants are with the security agents, and once they find your name you will get a badge. We apologize for the inconvenience.

- **food and drink**

Every day, there will be two *coffee breaks*, one in the morning and one in the afternoon. Both served in the area in front of the Buffon amphitheater.

There are plenty of restaurants and cafés around campus for lunch. A short list of suggested restaurants is attached.

A *cocktail* will be offered on Thursday evening in the Buffon building. This cocktail can be considered as a light dinner.
